

Pebbles: Buy Pebbles Online With Next Day Delivery

Welcome to Dandy's Pebbles. Order Online or Tel: 0845 456 3089

At Dandy's Pebbles we stock and supply a wide range of pebbles and cobbles; perfect for adding those finishing touches to a focal point of water feature in the garden.

Natural beach pebbles look fantastic as edging to ponds and mini waterfalls and features or you could choose a striking black or white pebble to finish off decorative planters and borders.

Polished pebbles are fantastic for finishing off a Japanese themed garden and can also be used to create striking displays and feature points on patios and in conservatories.

Have a browse through our free online 'how to' guides if you want inspiration and advice on creating your own garden element or water feature.

Dandy's Pebbles provide a rapid, efficient delivery service across the UK. Our nationwide delivery service means that you can have free delivery within 4 working days or can elect to have a next working day or, a specific date of your choice.

Ordering online is easy at Dandy's Pebbles as you can order any of our products in just a few clicks and can checkout with confidence using our secure payment service. You can also elect to pay via Paypal or Google Checkout.

If you have any questions about Dandy's Pebbles or any of the products we supply then give us a call on 0845 456 3089 or fire off an email to us at enquiries@dandystopsoil.co.uk.

Don't forget to check out free 'How To' guides which offer step by step instructions and advice on many landscaping and gardening projects, and, while you're here, why not check out the forums and chat with other gardeners about your new and ongoing projects?

Dandy's also specialise in many other landscaping and gardening supplies so why not check out our extensive range at our main shop.
